 **WICHTIG** 

Sicherheitshinweise

Montage ausschließlich in Personenkraftwagen laut Typenliste auf Verpackung oder beiliegender, detaillierter Clix-Broschüre gestattet.

Vorsicht - Bei nicht ordnungsgemäßer Montage kann das richtige Austreten des Sitzairbags im Falle eines Aufpralls nicht gewährleistet werden.

Die Verpackung von Kleinkindern fernhalten - Erstickungsgefahr!

EN

 **IMPORTANT** 

Safety informations

May only be installed in the motor cars listed on the packaging or the enclosed detailed Clix brochure.

Caution: Incorrect fitting can prevent the seat airbag from inflating correctly in the event of a collision.

Keep the bags away from small children – danger of suffocation.

FR

 **IMPORTANT** 

Remarques concernant la sécurité

Montage exclusivement dans les voitures légères en fonction de la liste de véhicules figurant sur l'emballage ou de la brochure Clix détaillée jointe.

Attention - Si le montage n'est pas conforme, la sortie correcte de l'airbag de siège ne peut pas être garantie en cas de collision.

Conserver l'emballage hors de portée des jeunes enfants – risque d'étouffement !

IT

 **IMPORTANTE** 

Note di sicurezza

Montaggio esclusivo in veicoli adibiti al trasporto di persone conformemente all'elenco tipo indicato sulla confezione o alla brochure Clix dettagliata allegata.

Attenzione - In caso di montaggi non corretto non è possibile garantire l'apertura corretta dell'airbag del sedile in caso d'urto.

Tenere lontano dalla portata dei bambini il materiale di imballaggio - Pericolo di asfissia!
